CERTIFICATE OF ATTENDANCE

Georgi Kotov (Bulgaria)

has successfully completed the 7th EULAR Imaging Course 2025

This course took place in Valencia, Spain, from Thursday, 20 March 2025 - Friday, 21 March 2025.

This course reviewed how to use imaging modalities for the diagnosis, monitoring and treatment decision-making in RMDs; this included conventional radiography, computed tomography, magnetic resonance imaging and ultrasound.

This certificate recognises 100% course attendance from the participant.

Date of issue: 31 March 2025
